

Course Description:

This course is the second semester of year one of Spanish. Students will continue with the introduction to the basics of Spanish language through reading, writing, listening, and speaking. Students will learn how to discuss school subjects, various professions, daily routines, and likes and dislikes.

In addition to learning the language, students will also learn about the cultures of Venezuela, Chile, Ecuador, Guatemala, and Cuba. Students will learn about the history, traditions and practices of each of these countries.

Students will participate in discussion boards, speaking practice, a multimedia writing project and a speaking project.

Course Objectives:

- Communicate about familiar topics using correct grammar and vocabulary.
- Interpret and produce simple written and spoken messages.
- Interpret words, phrases, and sentences in texts related to everyday life.
- Understand brief spoken conversations.
- Recognize basic practices, products, and perspectives of various Spanish-speaking cultures.
- Write short messages related to everyday life.
- Recognize and compare words and grammatical structures of the target language with their own language.
- Identify cultural connections between the United States and various Spanish-speaking cultures.
- Practice speaking with proper pronunciation and intonation.
